## RUN TURKEY RUN

### Objective:

- To get all participants through your intersection safely.
- To stop all vehicles from crossing the race course.

### What to expect:

- Clear your intersection 5 minutes before the start of the race. If there is a car on the course at the time of the start, it will be too late to move it.
- You should be able to see the race start from your position. It will look more like a stampede than a run!
- There are two race starts! One for the 5k and one the 1 mile.
- All 5K runners and walkers will initially come toward you on 2nd Ave. from the west. The 5K runners will come by you again from the north on 29th St in the 2nd half of their race. The will turn west on 2nd Ave. 1 mile runners will come toward you from the east.
- All participants will be by you within a few minutes of the start.
- Encourage all vehicles to go around.
- Let vehicles pass through during gaps in the runners or between races only if they need to reach a business or residence within the course boundary and it is safe to do so. Send all other vehicles west to 8th St. or east to 27th Street.
- Be friendly but firm with drivers.
- After sweep vehicle passes by for the 1 mile race, allow for normal traffic to resume on 2nd.

### When to leave:

- Stay at your position until after the 1 mile race and you see the sweep vehicle pass by.
- Return to the meeting area with your orange vest along with any signs you may have used.

### Notes:
